MEMORANDUM TO: Assistant Director, Research and Reports

SUBJECT: Draft Appraisal of the Field Survey of USSR
Inland Waterway Transportation

REFERENCE: Your memo, 14 Jun 1961, Draft Appraisals of
Field Surveys of Soviet Transportation

1. There is no objection on the part of the Office of Operations to making the text of subject draft together with references available to officers involved in the East-West Exchange Program and to a few analysts concerned with detailed intelligence on Soviet transport questions provided all of these individuals are members of the intelligence components of USIB member agencies and further provided the publication, in addition to the "Secret" classification carries the "Limited," "No Forn" and "No Dissem Abroad" controls.

2. If the draft is reproduced in sufficient copies, approximately a dozen would be appreciated for dissemination to Contact Division Field Offices which produced much of the referenced material.
